

# Shoreham Village Newsletter

Volume 20 No. 1

February 1, 2012

## **Board Items**

(Meetings of September 27, October 11, November 8, and December 13, 2011 and January 10, 2012.)

**Clerk's Office Reorganization** Mayor Pijacki announced an organizational change in the Clerk's office. He stated that the Board had become aware that it was a NY State requirement that the Village Clerk be a Village resident. A non-resident was holding the position. To rectify this non-compliance, the Board proposed appointing the Treasurer, a resident, to the position of Deputy Clerk and allowing the Treasurer/Deputy Clerk to perform all duties associated with Village Clerk. The Board stated that in the future it would reinstate the Village practice of combining the positions of Clerk and Treasurer, which have a residency requirement and separating the position of Steward, which does not. The Mayor further noted that the position of Clerk and Treasurer had historically been one position in this Village and noted the built-in efficiencies of this practice.

**Newsletter by E-Mail** The Board is considering using e-mail to distribute the Shoreham Village Newsletter. This would result in a cost saving and would permit more rapid communication with Village residents. **Please notify the Village Clerk if you wish to continue to receive a mailing. If you have not given the Clerk your e-mail address, please do so.**

**Hurricane Clean-up FEMA Reimbursement** The Village has submitted satisfactory paperwork to Fema and is awaiting reimbursement for the work completed. Additional mitigation and reimbursement is still in negotiations.

**Roads** Bids for roadwork have been accepted. Once the scope of the SCWA water main work is known, work will commence, weather permitting. The Board approved \$96,000 for this work including \$25,000 from State CHIPS funding.

Commissioner Kogel reported that plans for an additional well on the SCWA property will include several drainage basins aiding Village efforts to control rainwater runoff.

**Message Board** The Village Association will donate a new message board to be installed at the northwest corner of Briarcliff Road and Ashley Lane.

**Village Hall Rentals** The Board approved Village Hall rentals for January 13, January 21, February 4, February 11, February 17, March 9, March 10, March 31, May 19, June 9, June 16, June 29, September 14, September 22, September 29, 2012. April 22, 2012 was approved for the Shoreham Village Association Earth Day events.

**Thank You** The Board thanked Michael Madigan for his work serving as Storm Water Management Officer and appointed him to the position as Records Technology Manager. This position is intended to move the Village record storage into the 21<sup>st</sup> century by digitizing existing paper records. Len Emma will be the new Storm Water Officer.

**Centennial Committee** The committee has had several meetings. A number of celebratory events are being planned, hopefully starting this spring. Stay tuned for further information!

The Centennial committee will also begin fundraising by selling various items with the Village logo. The Board approved \$2000 to facilitate their activities.

## **Notices**

**Code Enforcement** There has been one break-in and one burglary in the Village recently. Residents are urged to lock their premises when they are not at home.

# Shoreham Village Newsletter

**Friday February 10 Open House** Just as in the Summer, the Shoreham Country Club is sponsoring Friday Night Open House from 7 to 10 pm for all Village residents. Tommy Sullivan, a very special entertainer and his “classic rock” music from the 50’s and 60’s, will bring back great memories.

Bring your own food, snacks and beverages and relax with your friends and neighbors. The bar and kitchen will not be available for this event. A small contribution of \$10 per person will be collected at the door to cover the cost of this special night. Please note this is an adult only event, age 18 and over.

The Club looks forward to seeing everyone again and hopes you will spread the word about how much fun these evenings can be.

**Security** Can be reached at 665-5963

**Next Village Board Meeting**  
**Tuesday February 14, 7:30 PM**

Work sessions will be posted on Village Bulletin Boards
