DON'T MISS IT

Echos of that old Calliope!
Shades of Stephen Foster!
Rustle of Grandmaw's bustle!
These ghosts of another generation
have come hootin' and howlin'
back to haunt you this Saturday
evening, 9:30 O'clock at the
Shoreham Club House--yeah man,
that Minstrel Show plus vo-do-
dee-o-do has come to town.

Give your eyes and ears a
break as you witness in person
(not a talking picture) Capt.
DeWitt Bailey. See for your-
selves those two dusky rascals of
mirth and merriment, Sambo and
Satchelmouth Hagenah. Surrender
to the lilting lyrical harmonies
sung by a chorus of sepia specia-
lists. Brother Wes Oliver, in
his own inimitable way has under-
taken to direct the above fugitives
from a Dixie Cotton Field.

All this plus a group of in-
dividual artists will be there to
heighten the evening's entertain-
ment. In case you find the above
insufficient inducement, remember
also that Ivy Frei has written
the book, and directed the entire
show. So if you want to swindle
yourselves out of something you'd
really enjoy, then don't come to
the Merry Minstrel's--

Hallelujah Brother!

LAST SATURDAY NIGHT DANCE WAS BIG SUCCESS

On Saturday night, August
the tenth, the Shoreham Country Club
held the 7th. of its seasonal
dances and a most successful party
it was. The members of the Club and
their guests were entertained by
the Black Friars, a group of talen-
ed people from Belle Terre, Old-
field, and Port Jefferson. Two
comedy skits were presented and
thoroughly enjoyed. We commend and
applaud the Black Friars for their
kindness in coming and for their
theatrical skill. Dancing preceded
and followed the performance and
a record number of enthuseastic
dancers were there to participate
in a most delightful party. The
merrymaking continued until 3AM
when Wesley Oliver and his Vikings
brought the evening to a close to
the strains of "Good Night Ladies"
and it was generally conceded that
the whole affair had been highly
successful.

JITNEY PLAYERS

Rehearsals for the play
"Cap-O-Rushes" are progressing sat-
isfactorily and it is hoped that
by the 24th. of August that every
member of the cast will be able to
give a perfect performance. It is
planned to present the play at
8:30 and it will be followed by
the regular Saturday Night Dance.

The lead is taken by Ursula
Balman who is spending the summer
at the home of Dr. and Mrs. Sarkany.
Miss Balman is not only a very cap-
able acrobatic dancer but has
proven herself a talented actress
as well. Fritz VanArnam in the
role of "Lord of the Manor" also
gives a very credible performance.
In fact every member of the cast
is putting forth their best effort
and it is hoped that a large at-
tendance will greet these young
performers.

ANTIQUE EXHIBIT

The committee in charge of the illustrated lecture and antique exhibit (Aug. 23-24) at the Congregational Church in Wading River is exceedingly fortunate in having secured "The Four Tunes" a well known and especially talented radio and concert quartette for the entertainment of the guests.

To all these who are interested in old Long Island history in general and in old Wading River history in particular, the lecture and antique shows on Aug. 23-24 should be especially interesting.

Mrs. George W. Heatley Jr. (formerly of Shoreham) is general chairman of the affair assisted by a large committee.

The exhibition of antiques will include a large range of articles, including early fire-arms, ancient agricultural implements, antique hat-boxes, old shawls, hats and costumes of the "Horse and Buggy" period. Indian arrow-heads and stone implements, with countless other material.

This is an exceptional opportunity and as many as possible are urged to take advantage of it.

(G. deLagerberg)

Tickets may be had from G. deLagerberg at Shoreham or from the committee in Wading River.

The End

serve Club Members and as a special inducement he is offering this coming Saturday night from mid-night on an accordion player, liquors and a Steak Sandwich Special. Instead of going out-of-town I am sure you will be well pleased at Tommy's.

HORTICULTURE

Except for weeding and spraying, this is the gardener's vacation time, and also the best for garden planning. When Spring catalogs come along one is so carried away with new varieties and gadgets that it is very easy to lose sight of good garden planning and management. Just as the most pleasing and easy-to-live-in room must be carefully planned as to the color scheme, so should the most restful garden be planned. A little of this and a little of that soon becomes a hodge-podge of color, and one loses all sense of repose and contentment in the one spot to which one should be able to go in these troubled times for genuine relaxation. One of the most successful gardens at The Gardens on Parade last summer was the Blue and White Garden, where no flower was introduced that bore any other color. If a miscellaneous color scheme is preferred the softest shades should be used with a strong color introduced in concentrated areas. These areas should be planned spaces.

The Herald Tribune, referring to France's collapse and the wreckage which the "fifth columnists" within that government helped create, said on its editorial page of August 12:

"There is a solemn warning in this for Americans. It is hard to detect the course of secret treason, that veils itself in 'realism', in 'humanitarianism', in that sort of patriotism that Dr. Johnson once called the last refuge of a scoundrel."

To this add the record of what the New Deal has and has not done; the Chicago "planned it that way" objective; the purges and betrayals of dissenters; Spend a Million Hopkins horde of tax eating third termites, particularly Hague, Kelly, Nash, Flynn and hungry Tammany with the Brooklyn Kelly tail. Also Crump and Pendergast.

Why after billions spent are we an impotent nation? Why in the photographs of Army maneuvers do we see stove pipes used for guns and rented ice wagons for tanks? Why with more billions authorized is preparedness lagging? On Monday the newspapers reported the President pleased with Defense progress! More New Deal planning?

The people are too damned dumb Hopkins said no bread lines here now. Right! We have huge rackets and politically profitable, streamlined and central controlled W.P.A., Home Relief and other New Deal vote getters making lavish use of tax payers money.

If you want New Dealers rule and ruin continued vote for their indispensable man. If you want destructive termites thrown out and the body politic deloused vote for
