THE KID AND HIS LETTER

It is late afternoon in a camp behind the front.

Men back from weeks of fighting in the foxholes are resting.

Suddenly a shout rings through the camp. The mail has come! Men crowd around a battered jeep . . . and cheer. Hands reach up and grab. The mail has come!

Look. There's the kid you know, smiling from ear to ear.

☆ ☆ ☆

Now his eyes race down a tiny piece of paper . . . reading fast, then once again . . . and slowly.

Dad mowed the lawn today and fixed the screens. Pete Jones dropped in. You ought to see our Victory garden after last night's rain.

We cut Joan's pigtails off. She got through grammar school this week, you know. We see Dottie almost every night and she looks fine.

It's wonderful to get your letters. I guess you know how much we miss you. Every time I pass your room, I think of you—and pray that God will keep you safe. Barnabe Bill wags best regards. Love, Mother.

☆ ☆ ☆

Deep down inside he's warm and glowing now.

Because a loved one half a world away wrote the cheerful things that happened one day here at home.

And all along the line, men thought and worked and cared enough to speed that letter on its way.

☆ ☆ ☆

This community paper is being sent to the Shoreham boys in service throughout the world.

We want news regarding our boys in service and all the personal news that will interest them of Shoreham. Please write "The Shorehamitem" anything pertaining to your boy and anything that might interest our boys in their far off isolated camps. Help us make this paper your paper and a weekly letter.

27TH ANNIVERSARY

1943 is the 27th Anniversary of the founding of the Shoreham Country Club.

The season will open July 3rd (Saturday Night) at 10 P.M. with Music by Mr. Fuller and his Port Jefferson Band, that pleased us all so much last Labor Day.

A \$7200 case of rare old Kentucky Bourbon is to be given away, so be on hand and get your lucky number.

The entertainment has been arranged by Chairman Mrs. Finn and her capable assistant, Mrs. Jensen.

All uniformed boys in the armed services, will be given the free use of the Club and tennis courts throughout the season.

Members bringing guests to the Club dances will be charged one dollar.

The Tennis Court at the spectator's gallery is in the finest playing condition it has ever been in. Hard work on the part of the enthusiasts accounted for this and the old axiom again holds true. "Hard work produces rich rewards".

The Club's House Committee Chairman "Mrs. J. F. Keating" wishes to announce that due to the war emergencies, no food will be served at the Saturday evening dances.

The Publicity Committee this year comprises Mrs. Albert Barnhart, Capt. Jess Kenworthy, Mrs. Gilbert Frei and Mrs. John Bates. Please get any information to them regarding your family, guests, boys in service or out of the usual happenings.

In spite of the Village Law, some residents are permitting their dogs to roam the beach. YOUR DOG-MUST BE KEPT OFF THE BEACH.

BARE FAX

Some of our celebrities have been organizing for the War Effort unbeknownst to the Villagers. At 6:30 on one of the mornings this past week the calm and peacefulness of the hillside was rent with howls, yawls, and blood-curdling yelps. Windows flew open, doors slammed and bare feet pattered. After peace and calm were restored, our candid camera man caught some of our leading citizenry armed with lawn rakes, ball bats and what have you - lining up for a nightie parade under the eagle-eye of one of Uncle Sam's best. The occasion - a good dogfight - The Score? 1 Run, 7 Hits and No Errors.

CHILDREN'S DANCES

FRIDAY

9

JULY

One of Shorehams outstanding events is the weekly dancing classes of Miss. Evelyn Rita Jantzer for our children.

Not only are these dances most beneficial to the younger members of our community but they provide a weekly get-to-gether where a genuine frolicing party is enjoyed afterwards.

The first dance will be Friday evening- July 9th at 7:45 P.M.

In the absence of Mrs. Mary Hapgood the children's dances will be assisted by Mrs. Bunny Beatty and Mrs. Natalie Hunsicker.

It is most gratifying to have Miss. Rita Jantzer again with us and we extend to her a most hearty welcome.

There is nothing better for the children than the dancing instructions and rhythm taught by Miss. Jantzer and all young children should attend.

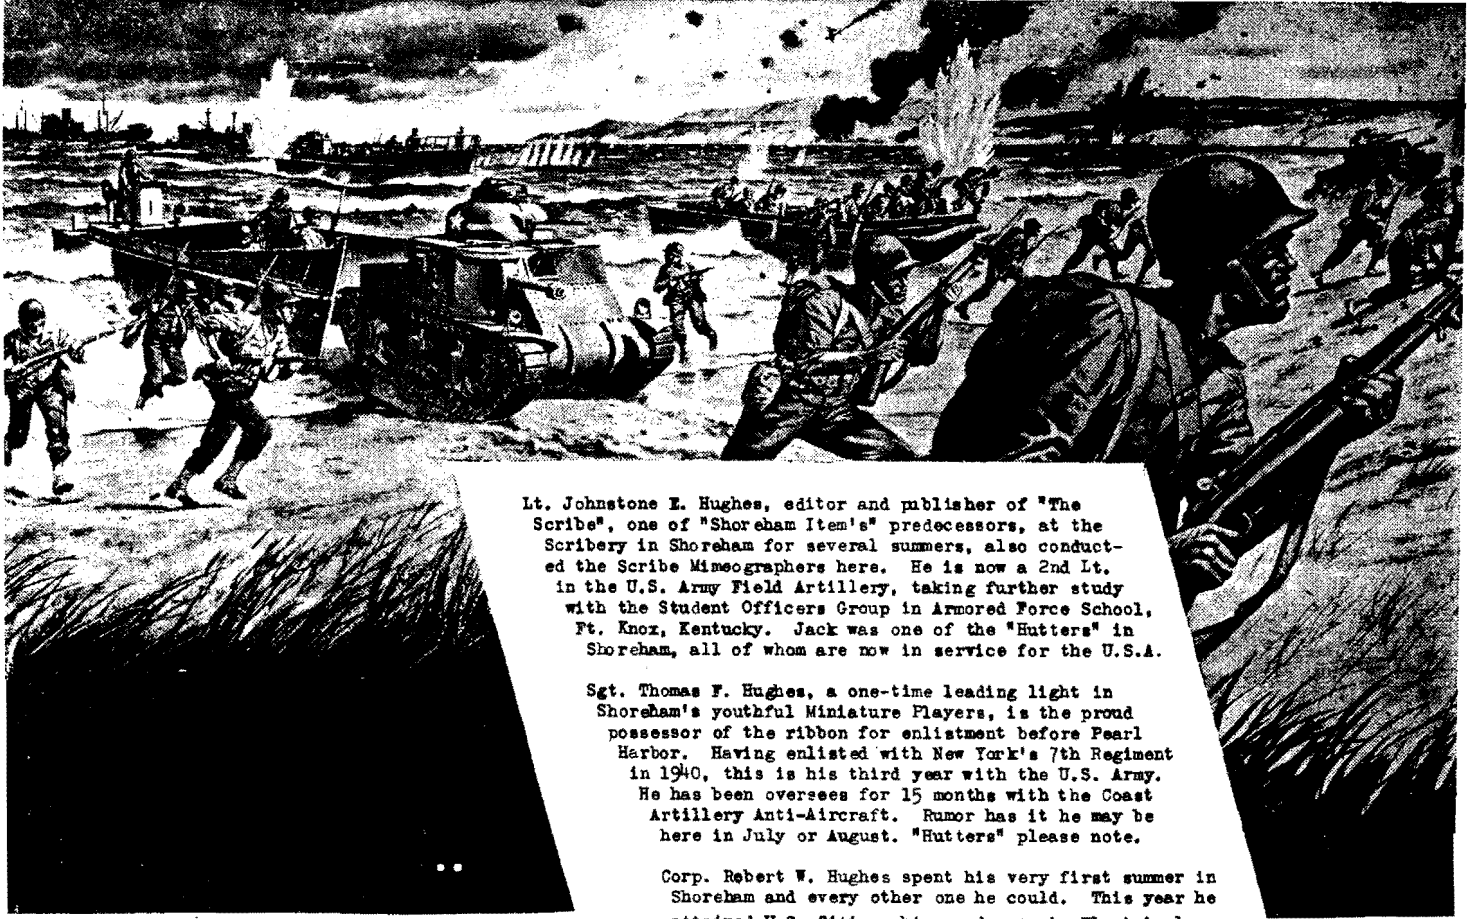

Sunday, July 4th 8:00 P.M.

The Sunday evening song service was one of the outstanding events to most Shoreham residents during the 1942 season. Time after time it was found necessary to send downstairs for more chairs and song books.

Our Song Service has literally taken on the title "Religion in the News". It is splendid news to find Shoreham residents, of all creeds, gather together in song and spirit and pay homage to a higher power.

This year's opening service will have our usual favorite songs plus the solo singing of one of the most beautiful religious vocals,- "When I Shall See Him Face To Face".

This year's song service is under the direction of Mrs. T. K. Elliott whom we all know so well from her unceasing and successful accomplishments in the past. A short address will be given by The Venerable Charles Mac Lean, Archdeacon of Suffolk. This alone should be sufficient to fill the Club to capacity.

Lt. Johnstone L. Hughes, editor and publisher of "The Scribe", one of "Shoreham Item's" predecessors, at the Scribery in Shoreham for several summers, also conducted the Scribe Mimeographers here. He is now a 2nd Lt. in the U.S. Army Field Artillery, taking further study with the Student Officers Group in Armored Force School, Ft. Knox, Kentucky. Jack was one of the "Hutters" in Shoreham, all of whom are now in service for the U.S.A.

Sgt. Thomas F. Hughes, a one-time leading light in Shoreham's youthful Miniature Players, is the proud possessor of the ribbon for enlistment before Pearl Harbor. Having enlisted with New York's 7th Regiment in 1940, this is his third year with the U.S. Army. He has been overseas for 15 months with the Coast Artillery Anti-Aircraft. Rumor has it he may be here in July or August. "Hutters" please note.

Corp. Rebert W. Hughes spent his very first summer in Shoreham and every other one he could. This year he attained U.S. Citizenship, a degree in Electrical Engineering at Cornell and expects a commission in

the U.S. Army Signal Corps. An eventful year for "Hutter" Bob. He is now studying for the 2nd Lt's. Bars at Fort Monmouth.

Capt. James O'Brien, another "Hutter" who is in his third year of service with the U.S. Army, writes from North Africa that he is having a happy and busy time. He mentions dining with Miss Ethel S. Hughes, a frequent Shoreham visitor who is also in North Africa with the American Red Cross.

Pvt. Otto P. Hagenah is also in North Africa. So far these two "Hutters" don't seem to have met "over there". "Oats" is one of four brothers in the service. The two elder ones are high ranking officers in the Marines.

Lt. (j.g.) William Sedgwick, the only "Hutter" to take to the sea is enjoying a furlough, after sea duty. It is hoped that the Lt. will visit in Shoreham.

Major L. Y. Erskine, a pilot in the Royal Air Force, World War I, Author of the Renfrew stories is well known in Shoreham as a visitor at the house of his sister, Mrs. H. F. Hughes with whom he makes his home. Now a U. S. citizen, he gave up the radio program "Commandos" which he originated when he was called to a commission with the Coast Artillery Anti-Aircraft, U.S. Army. He is stationed at Bayonne, New Jersey.

Pvt. William Heard, is with a limited service attachment of M.P.'s, at present stationed in New York. Here is one "Hutter" who can be found by any other lucky enough to be on furlough.

Major James F. Cross, U.S. Army is now stationed at Ft. Houston, Texas. He is known as the finest officer in the army by the Officer Candidates who train under him among them Jack Hughes.

Lieutenant David Pallister was a recent visitor at Shoreham and is connected with the 538th Squad of the 382nd Bomber Air Force group.

One of Shoreham's frequent visitors was William Hagenbauch and he is now Captain of a bombing squadron somewhere across the seas.

Herbert Frei has passed his physical and is leaving for duty in the Signal Corps within the next few weeks.

Francis Hunsicker is now "Captain" in the Quartermaster Division and doing a splendid job up North.

There are many more we want to write about, such as Lt. Col. Varian, Jackson Cross, Junior Warden, etc., and these will follow in later issues.
