Shoreham Garden Club Meeting August 24th

Meeting to be Held at Two Century Old House in Miller Place

The Shoreham Garden Club will hold its August meeting at the home of Mrs. Edward Stevens at Miller Place. This is the same meeting that was originally planned for August 10, but it was postponed until the 24th. The meeting is, however, the same as the one that was planned in the first place. The speaker will be Miss Louise Mansfield of the Brooklyn Botanical Gardens.

Miss Mansfield is an expert on herbs and has just completed a book on the subject. Members and their friends who attend the meeting may obtain autographed copies of this book at the meeting. Miss Mansfield has been presented here as a lecturer and an author, but first she is an artist. She will have with her some of her original pictures which she will use to illustrate her lecture, which is on the subject of "Herb Gardens."

Mrs. Stevens, who up until this last year was a resident of Shoreham, now lives in an old house in Miller Place which was built about 1740. This is one of the original houses built by the Miller family after they had been in Miller Place for about forty years. The house has been fixed up so that it is a combination of modern imitation of the old and the real old architecture as it was built in the early part of the eighteenth century.

The exterior of the house is of white shingles, and the feature that seems to please Mrs. Stevens most is the trumpet vine that is growing up the side and over the roof. In the sitting room between the white woodwork which divides the wall into sections there is bright blue paper with a quaint old fashioned air. The living room that opens onto a porch and is done in a soft green which is almost a gray.

There are three fireplaces, but the one in the dining room still has the old crane that was used to cook with when the house was new. There is also a large Dutch oven which was used to bake bread. The rooms are all low and the beams can be seen in all the ceilings. The doors are all very small, being only about six feet two or three inches high. So watch your heads when you are there—that is if you are six feet tall and try to walk on your toes. It would be worth while for members and guests of the Garden Club to come to this meeting just to see this fine old house.

Mr. Arthur F. DuCret, father of Mr. Sheldon A. DuCret, died at his summer home, Merriwold, Sullivan County, New York, Saturday, August 14, after a week's illness following an operation for appendicitis. The funeral services were held in Brooklyn last Tuesday.

Children To Have A Masquerade

Big Annual Event to be Held This Wednesday

This coming Wednesday is the day of the annual children's masquerade at the Shoreham Club. It will be at the same time as the weekly Wednesday night dances. Mrs. Sarkany, who has done such a fine job with the dances all summer, has planned a special program for that night. There will be the usual games, dances and shower of confetti. This is one night that there will be prizes and favors for all, but the most cherished prizes will be those given for the best costumes.

It is a rule at these parties that every one must be masked, and prizes will be given for the prettiest, funniest, and the hardest to guess. The judges are selected from those people who are there to watch the fun. These people who come to the dances to watch seem to have more fun than the children, and enjoy themselves watching the children have a good time.

It is requested that the children arrive early so that this party will begin on time and all the children will be there in time for the grand march, when the prizes for the best costumes will be given.

Garden Club Meeting

The series of lectures on Flower Arrangement, with Mrs. Fleurette Withers as guest speaker will be continued with the meeting to be held Aug. 23, at the South Bay Club, Bay Shore, and concluded with the meeting Sept. 27 at the Douglaston Country Club, Douglaston.

Aug. 23, South Bay Club, Merrick road, Bay Shore: 11 a. m., "18th and 19th Century Design"; 2 p. m., "Sophisticated Color Harmonies."

Sept. 27, Douglaston Country Club, Shore drive, Douglaston: 11 a. m., "The Modern Spirit"; 2 p. m., "Color Crude and Subtle."

Day's lectures \$1. Single lecture 75 cents.

For additional information apply to Mrs. Roy M. Lincoln, 76 Murray avenue, Port Washington, L. I.

The Shoreham Garden Club is a member of the Federated Garden Clubs and, therefore, the members of the Shoreham Club are invited to attend.

Buffet Dinner To Be Held On Aug. 28th

There will be a buffet dinner at the Shoreham Country Club on the 28th of August before the Saturday night dance. The dinner will cost \$1.00 per person, and reservations must be made either Saturday night, August 21, at the Club, or through Mrs. W. D. Van Arnham before Tuesday of next week.

HON. ROBERT MOSES
President of the Long Island State Park Commission, who acted as chairman for the Melville Memorial Bridge presentation.

Melville Memorial Bridge Presented

Robert Moses Leads the Ceremony Wednesday

With the Hon. Robert Moses, president of the Long Island State Park Commission, acting as chairman for the occasion and eulogizing its contribution to the countryside, the Frank Melville Memorial Bridge and Park in Setauket, was formally presented to the Town of Brookhaven at 4 o'clock Wednesday afternoon before a throng of approximately 1,500 spectators and invited guests. The donor, Mrs. Melville, of Sunwood, Old Field, widow of the late Mr. Melville, pioneer New York merchant and a resident of the community for more than thirty years, delivered the speech of presentation, and Edgar A. Sharp, supervisor of the Town of Brookhaven, formally accepted the gift. Ralph J. Hawkins, Brookhaven town attorney, also talked, his subject being "Setauket Through the Years."

The ceremony of presentation was conducted on the approach to the memorial bridge, where seats had been provided for guests and other spectators. Following the overture by the Manhattan College Band, an invocation was delivered by the Rev. Father Roke in the absence of the Rev. Frederick E. Williams. The benediction was by the Rev. R. Thomas Blomquist, rector of Caroline Episcopal Church of Brookhaven, in Setauket, and the march, "With Honor Crowned," by the Manhattan Band, brought the ceremony to an end.

To Run For Three Days, August 21, 22 and 23.

Stony Brook to be Scene of Big Event on the North Shore; Seventy-six Events with \$4,000 in Prizes.

Today at 2 o'clock, was the opening of the annual classic in horsemanship at Stony Brook. It was the annual North Shore Horse Show which is being given for the benefit of the Society of St. Johnland. The show grounds are adjacent to the Old Field Club House, and there will be a Horse Show Ball at the Club House on Saturday night, August 21. There are 76 entries that will take the best part of three days to pass in review. Some of the horses that have come from all around this section of the country include jumpers, hunters, saddle horses and ponies.

In the large area that has been set aside for showing and the still larger one that is used for jumping the judges will be able to pick the

Baby Party To Be Feature Of Week-End

With Italy and Germany out for bigger and better babies, the Shoreham Country Club has decided to do something about it. There will be held at the Shoreham Club tomorrow night a baby party for which there will be a prize for the biggest and one for the best baby.

There will be no real babies at the party, so the mothers of the community don't have to dress up little Junior but can put him in bed and take his clothes and come to the party as if she were Junior. This is just one more way that the people of Shoreham can think of to have fun. What will they do next?

The history of the Baby Party goes back in history to the days when the club was not the active body that it is today. In those days the people got together in someone's house and had masquerades, old fashioned parties (in this case old fashioned is pertaining to dress), and baby parties. Recently after the masquerade which was held so successfully at the Club some one remembered the fun that was had at the baby parties. Therefore there will be a baby party at the Shoreham Country Club tomorrow night, August 21.

It is requested that all those who attend the dance dress as babies, and it might add to the fun if everyone brought a nursing bottle for his drinks. If there is any one who doesn't feel like playing baby they might come along too and act as doctors and nurses for those who are too young to cross the street alone. And remember that Wes Oliver and his orchestra begin to play at 10 o'clock, so be there on time.

EDITORIAL

At the presentation of the Melville Memorial Bridge at Setauket Wednesday, Long Island Park Commissioner Moses said that the park and bridge was an example of private organizations doing things for the community and for the human welfare that could not be done by the government. He said that the Long Island Park Commission made way for the private individuals to do things of this nature. And that it was enterprises of this kind that are made possible only by people who think that "all things should not be left to the government."

There is in Shoreham an organization that is doing things that are as much an act similar to those mentioned by Mr. Moses as the park that has been presented to the Town of Brookhaven. The organization is the Shoreham Garden Club, and their acts are the Oval and the Triangle which is at either end of Woodville Road. The Oval, which is dedicated to Mrs. Francis Upham Warden, is the first child of the Garden Club, and after it was fixed up and dedicated they have cared for it and made it one of the distinctive parts of Shoreham.

When the Garden Club was looking around for something else to beautify they set to work and fixed up the entrance to the Town of Shoreham. This is the Triangle which was fixed by the Garden Club a few years ago and has been cared for by them. They are right now doing their best to get the rest of the entrance fixed so that there is a safer and more attractive entrance to Shoreham.

There are two things that the Garden Club might consider in their meeting next week that would be of great worth to the community. In an editorial printed in this paper last week it was suggested that "Beach Lane" be renamed and dedicated to the memory of Mrs. Bailey. The town is the only organization that can do a thing of this nature, and with a little push by the Garden Club it would probably not be difficult for the matter to be attended to. There is no reason why the Town and the Garden Club should not co-operate and do a fine job on this entrance to the beach.

The second that the Garden Club might do is try and have the Shoreham Station fixed so that it looks like something. There are on the station grounds some flowers that are really very nice but which need a little care. The Station which is not in use might be fixed so that it doesn't look as if it were deserted. The Garden Club doesn't have to do anything about it themselves, but a letter to the railroad requesting that the place be fixed might bring results.

Shoreham Takes Wading River 7-5

Win in Spite of Gloved Fielders

The Shoreham softball team returned home victorious after having accepted the challenge of the Wading River team to a softball game on the Wading River field. The game was slow in starting and showed great skill on the part of the fielders on the Wading River team. However, they play with gloves which is really not allowed in softball. It took the Shoreham team some time to get so that they could hit and keep these gloved demons from getting the ball.

Things were quiet for the first inning and then in the second Roman of Wading River got on base and was hit home by E. Bockman for the first run in the game. There was nothing doing in the third inning but in the fourth, Wading River made the Shoreham chances look very slim when they scampered through with four runs. Cybolsky started off a rally but was put out on third. Then J. Senez who had replaced Roman in the batting order, Anthony, Gosman and E. Bockman made runs making the score five to nothing. L. Bockman was put out at third, and Jes. Heatley hit a fly that was caught and left two men on base. This was the end of the Wading River scoring.

With the sixth inning the Shoreham team showed signs of life. With J. Haganah, Wes. Oliver and Junior Pallister on base, Al. Barnhart, who had been playing an excellent game behind the plate, hit a triple and brought in three runs. Dave Pallister got on base and he and Barnhart were knocked home by G. Frei who had the misfortune of being stuck on second. This gave Shoreham five runs in one inning and tied the score. In the next inning with Barnhart on base, Dave Pallister hit the only homer of the day and brought in two runs. The rest of the game was an unsuccessful attempt on the part of Wading River to better the score of the Shoreham team.

Believe It If You Can!

As reported by Miss Barbara Peck

A startling bit of information was disclosed at the Shoreham dance of last week-end. Larry Child, blond siren of Belle Terre, was married! The lucky male was Harry Gebauer of Port Jefferson, seen seldom at the club, but well known to those who saw last year's "Who's Got Buttons." Harry was a deep-dyed villain on the stage, but after having seen him in his new role as groom of fair Larry, we are convinced that in last year's performance he must have been sadly miscast!

If the rumor had not been firmly established, none would have ever supposed the pair to be husband and wife. They did their best to keep it all a secret, but in spite of their efforts it leaked out, and at the end of the dance they walked unsuspectingly into the usual trap—tin cans and rice, lots of rice!

The rice-throwers were merciless! They covered the bridal car inside and out and in the process deluged all the nearby cars. (Owners claim they spent Sunday cleaning little white things out of their motors and back seats.)

It wasn't 'till the newlyweds drove off to escape the volley that the tin cans made themselves known and also attracted attention to a "Just Married" sign tied on the back of the car. But the groom was either more clever or more angry than his friends had calculated, and before he sped away for parts unknown with his bride (rumor has it that it was Montauk) he saw the cans securely tied to another car.

Since that time it has been impossible to find them to get any more information on the subject. However, it is understood that Larry told her mother about it, so the matter is not a secret at home, but since Mrs. Child has been informed it is rumored that she has volunteered no information and has seen no reporters. The question in the mind of all is: "Are they really married?"

SHOREHAM CLUB TO HOLD TENNIS TOURNAMENT

At the dance last Saturday night Robert R. Oliver, the Chairman of the Athletic Committee, announced that there was going to be a Tennis Tournament conducted for all members of the Shoreham Country Club. There will be four classes for men and girls according to age. By this time there has been posted at the Shoreham Club a blank list so that those who wish to enter the contest may sign up. It is requested that everyone wishing to enter will sign up in the proper class. These classes are as follows:

- Class "A"—Men's, open to all.
- Class "B"—Girls', open to all.
- Class "C"—Boys', age limit 15.
- Class "D"—Girls', age limit 15.

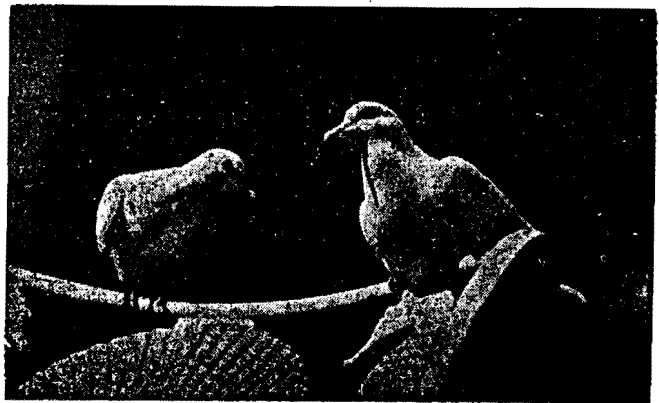

It is necessary to sign up at once as the entries close this Saturday night, August 21. The matches will begin this week-end and the final matches will be played the Saturday before Labor Day. There will be a silver cup presented to the winner in each class. This is the first contest of this kind that has been held in Shoreham in many years and it is the hope of Mr. Oliver and the Athletic Committee that the community will support it by taking part. There will be the usual contest between Shoreham and Wading River on Labor Day and those who show up well in this contest will have a chance at Wading River.

Jitney Players To Be Featured Friday

Stuart Walker Play to Comprise Program

With the rebirth of drama in Shoreham, come the younger generation who have taken unto themselves the name of "Jitney Players." In the past the children have always done something in a dramatic line for the entertainment of the members and guests of the Shoreham Club. Up until several years ago such activities were sponsored and directed by Mrs. Harry H. Hughes, but in recent years she has been unable to assume her role as director so the children have been without a play for many years. Some of the productions of the children in the past have included a scene from "A Midsummer Night's Dream," "An Evening with A. A. Milne," "The Reluctant Dragon," "The Post Office," and "The Boy Who Went."

This year the newly formed company of "Jitney Players" under the direction of Mrs. John L. Hogeboom will try to surpass the record of the past when they present "The King's Great Aunt Sits on the Floor," a long one-act play by Stuart Walker. The program will be on next Friday night at the Shoreham Country Club at 8:30 o'clock. Mr. Jack Haslett, the president of the club, announced that as a special treat of the Shoreham Club there will be no admission charged for the play. All those who wish to attend are cordially invited to attend this, the first production of the "Jitney Players." It is the hope of all who are in any way connected with the players that there will be a good crowd in attendance.
