Hit and Run Driver Gets Dog Monday

Sherman's Dog O. K. After Being Hit by Car Early Monday Morning

Fritz, the Shermans' snauzer, had a bit of bad luck last Monday morning when he was hit by a "hit and run" driver early in the morning. The accident occurred between 6:30 and 8 o'clock in the morning. The dog left the house about 6 o'clock and was in good health at about 6:30 when Tom McCarrick saw him at the time he was delivering the milk. The Shermans found the dog about 8 o'clock in the morning, he had been hit by a car and left in the road. The dog was taken to a veterinarian where it was thought for a time that he had a broken hip, but the dog is up and about again and there seems to be nothing seriously wrong with him. It has been impossible to find out who it was that hit the snauzer, but it seems that it might have been someone on the way to the city in the morning. According to the police it is a state offense to hit a dog and leave it on the side of the road.

SPECIAL NUMBERS AT CLUB DANCE

The Shoreham Country Club had several entertainment numbers at the regular Saturday night dance at the clubhouse last Saturday night. The entertainment included a number on the electric guitar played by a member of the orchestra. Mrs. John Bates sang "Smoke Gets in Your Eyes" as a solo. Albert Barnhart accompanied Mrs. Bates in singing a duet. The songs in the duet were "All Alone" from the "Desert Song" and "Drink to Me Only with Thine Eyes."

SWIMMING RACES HELD SUNDAY

The swimming races which were postponed from the Fourth of July were held last Sunday afternoon. The races were won by Jimmy Hogeboom, Buddy Sherman, Jimmy Brandon, Jean Sarkany and Cornelia Jane Van Arnam, each in their respective age group. The casting contest ended with George Beatty trying to pull in Junior Pallister, who tied the end of a fishing line to his bathing suit. However, the line broke and that was the end of the sport.

Bank Opens Doors In Shoreham With Eagle Club Deposit

First National Bank Incorporated Under Village Pays Three Per Cent Interest

The First National Bank of Shoreham has recently been formed, with a list of Shorehamites as officers. The bank is incorporated under the village of Shoreham. The fact that it is incorporated and not incorporated according to George Beatty, one of the bank's vice presidents, is because it is incorporated under the laws of a village. The bank's first and most important depositor is the Eagle Club which must have all its checks signed by the club's president. The club has made out its first check to the Thurber Lumber Co., Inc., for lumber for its new clubhouse.

The bank has invested its capital in the Shoreham Exterminator Company. This company was formed with special permission of the village for the purpose of ridding Shoreham of pests. The bank has a board of directors and retains Glibert Frei as its legal advisor. Deposits if maintained above five dollars receive interest of 3 percent. No checks may be drawn for less than 25 cents.

The bank office is situated in Mr. Beatty's home, and Mr. Beatty acts as cashier. Also the bank has a fireproof vault, with a time lock that is run by Mr. Beatty's wrist watch.

At the garden party tomorrow will the drivers or cars please observe the following:

Arrows will point the way to the grounds where the party is to be held. Please follow these arrows.

The gate on Briarcliff road will be used as an entrance. The gate on the side road will be used as an exit. The drive in front of the house will, therefore, be one way.

The cars will be parked on one side of the driveway, on the main road, or side road. There will be no parking on the grass unless otherwise directed. The ticket table will be in front of the house, and cars may drive to this point to discharge passengers, but must continue on and park elsewhere.

POOR FISH

At the swimming races held Sunday Jean Sarkany won her race. As a prize Miss Sarkany was given a life ring like those used by people who cannot swim or who are learning how to swim. A fine prize for an excellent swimmer.

Miss Sarkany said, "I think that I should give it to some poor fish. Fish are such good swimmers that one deserves it more than I do."

Jewelry and Money Taken by Thief From Shoreham Residence

The home of Mr. and Mrs. W. D. Van Arnam was robbed some time between 4 and 6:15 o'clock last Sunday afternoon. The robbery occurred while the family was at the beach for the afternoon. The theft was discovered when Mrs. Van Arnam went out on her rings that she had removed to go swimming and found them gone. The rings that were taken were Mrs. Van Arnam's engagement ring and another ring that had belonged to her mother. It was also found that about \$30 in cash had been taken from three different parts of the house, and also a box containing a diamond and platinum pin and two other pins, one a gold bar pin with small pearls and sapphires and one a gold friendship circle.

The Brookhaven police were called in and found several finger prints, but as yet have been unable to find either the money or the jewelry.

Shoreham Country Club

Notes

Song service last Sunday night was led by Dr. F. W. Finn in place of T. K. Elliott. Mrs. John Bates sang a solo. Dr. Finn started a new practice for the song services, that of learning a new hymn each week. W. D. Van Arnam will lead the song service next Sunday.

The house committee of the Country Club has announced that it will hold a bridge and luncheon similar to the ones that have been held in the past. The luncheon this year will be held at the club house on Tuesday morning July 26, at 11 o'clock. The committee under Mrs. F. A. Koch requests that as many people as possible make up tables of their friends as soon as possible using this as an opportunity to bring your outside friends to Shoreham.

Garden Club to Have Third Such Party at Callender Home Here

Fashion Show and Beauty Contest Are Program Features

For the third time in Shoreham Garden Club history it will hold a garden party. This time it will be held in the garden of Mrs. Walter Reid Callender. The garden is situated in front of Mrs. Callender's home on Briarcliff road in the Shoreham Estates. The party is to start at 2 o'clock in the afternoon.

The big event of the day will be the fashion show which will go on at 5 o'clock in the afternoon. Mrs. June Elvidge Bush has made arrangements to bring to Shoreham "Shapel" gowns from the Park Avenue shop. Mrs. Callender's gowns will be modeled by Shoreham girls, and the sales gowns will be on sale at the time of the garden party with a percentage of the sales going to the Garden Club. The parade of bathing beauties will follow the fashion show.

Judges for the contest had been picked by the committee but the committee made a mistake when they let the judges get a look at the girls on Shoreham's beach. The judges shook their heads and said they would not attempt to pick a Miss Shoreham from the girls that they saw. These judges went out and spread abroad word of their findings and it was impossible for the committee to find new judges. So if humans will not pick a Miss Shoreham fate will decide and the prizes will be awarded by drawing from a hat. First prize is to be a bathing suit given by a Shorehamite who has long been known to have an eye for beauty. The Dove and Turtle Inn has given two tickets for a dinner at the inn to be used for second prize. Mrs. Callender is donating a corsage of flowers to be given as the third prize.

Girls who will model are Mary Jane Cassidy, Joan Fountain, Ann Waters, Janet Waters, Peggy Elliott, Evelyn Moss, Gladys Koch and Ivy Stevens. All these girls will be in the beauty contest along with the following: Barbara Davis, Peggy McGahen, Jane McGahen, Marion Zenke, Lassie Zenke, Eliese Sherman, Bernice Stevens, Myrtle Stevens and Cornelia Jane Van Arnam.

The real cause for the Ringling Circus closing will be seen when the clowns at the party put on their acts for the guests. For try as they might the circus could not engage these particular clowns for their

Shoreham has in recent years improved its beauty in many ways. Everyone has improved his property until now, there is not a single house which looks as if it was not cared for. The beach has been fixed and looks better than it has looked for many years. The clubhouse each year sees some new addition or improvement that makes it a more home-like and more enjoyable feature of Shoreham life. The tennis courts are in good condition and are being maintained that way. With all these fine things and excellent facilities which go to make up Shoreham it remains up to every Shorehamite to do his or her part to keep things that way.

As we pointed out last week there are still some things that need improvement, but it is not the purpose here to consider needed improvements, but instead to look at the things that we have and consider how to care for those things. In an editorial last year we spoke about picking up papers and other things that cluttered the beach and streets. As a result of this, the village bought baskets for the beach; how-used, instead of papers, and ice cream wrappers are still to be found lying around on the beach, and roadway. Will people try to throw their junk in the baskets where it belongs? And also if things are left around pick them up. Everyone should try to make Shoreham a place to be proud of.

With regard to the clubhouse, let everyone obey the house rules especially the one about wearing bathing suits in the clubhouse. Also be careful of the tennis courts and don't play on them when they are wet or when wearing shoes with heels.

New traffic signs have been painted on Woodville road and it is hoped that everyone will obey them and that the result will be slower driving. It has been requested by the powers that be, that something be said about the signs that have been taken from the different places in the village. Will the boys who are doing this please stop? It only causes Mr. Woodfield a lot of trouble and he has enough trouble looking after his regular duties without having to track down a couple of boys to make them return a sign they have taken.

CHAUFFEURS ALMOST HIT
BY STRAY BULLET

Someone was out shooting rabbits with a 22 calibre rifle near the beach when two Shoreham chauffeurs were walking down the steps to the beach. The bullets came across both pairs of stairs and came very close to the two men.

Frank Woodfield, the Shoreham policeman, found who was doing the shooting but refused to give the names of those who had been such poor marksmen. Mr. Woodfield requests that more care be taken by those people using guns to shoot rabbits.

SOUNDING OUT
OLD FIELD—STONY BROOK

By Jackie Smythe

There will be another dance at the club this Saturday and still another two weeks after that. The latter will probably be a Scotch dance. Remember the one last year?

Lest you think there is nothing in store for the golf addicts after all these Old Field activities, I will hasten to enlighten you.

For all those members of the younger generation who belong to the St. George and have an inclination to chase a little white ball, Horace Fulford has formed a class. He is giving twelve one-hour lessons for five dollars.

Ladies' Day at the St. George began last Tuesday, the 12.

Men's Day is every Thursday and there is dinner and a poker game in the evening.

show and as the result the circus had to go back to winter quarters. Therefore Shoreham is able to show its people the clowns who made Ringling fail. These funny men have had a long time to prepare for the Shoreham appearance; they have worked out many new stunts and gags for the afternoon.

Madam Zazah Zingerahlya will tell fortunes at the party, and should be one of the most interesting of the side attractions. It should be understood that Madam Zingerahlya is a real fortune teller and is not a local person who is putting on an act. It was because the Madame loves gardens and flowers so much that she has consented to come to Shoreham and take part in the garden party. Madam Zinger-

ahlya is world famous as a fortune teller and is considered one of the best in the business.

The game committee has planned games for the party which include bingo and a horse race. The horse race will have people for horses and the advancements will be made by throwing dice to advance the horses.

Flowers, candy and gifts will be on sale. Those who will sell candy and flowers are Marion Zenke, Ann

Waters, Eliese Sherman, Jane McGahen, Mary Jane Cassidy, Joan Fontain, Peggy Elliott and Barbara Davis.

There will be three raffles at the garden party, chances will be sold by members of the Eagle Club. Those things to be raffled will be a Polish ham donated by Mrs. A. J. Sackett, a basket of Hors d'oeuvres presented for the purpose by Mrs. Julian Acosta, and a third raffle is being presented by Mrs. Haslett.

HELPFUL HINTS
For Home Decorating

by Uncle Andy

MOST of the folks around here hires themselves a painter when they're undertakin' to paint the outside of their homes. And that's just exactly as it should be 'cause a good paintin' contractor'll give you a perfect job that'll stand up better and look purtier 'n' everything—specially if he uses fine paints like Pittsburgh Sun-Proof. You see a reliable Paintin' Contractor always knows just what should be done. Whereas you 'n' me and folks like us wouldn't usually know which end to begin on.

Like for example would you know that when you're paintin' under the eaves you got to sandpaper extra well because it ain't had the wear and tear of the finish on other spots and so it's as slick as can be and the new paint won't stick right? Well that's what the Paintin' Contractor knows. Just as he knows about fillin' up all the nail holes, and sandin' rough spots, and cleanin' all the dirt and oil and stuff that accumulates on the outside of your house. He burns off the old finish lots of times, too, when he sees that the old paint is chippin' and peelin'—so's it won't push off any coats

applied on top of it. Knows; too; that cracks must be evened off or filled.

In short he does all of those little things that make any paint job look right and stand up better. Yep. When he gets through your house'll look just like a million dollars. Like two million dollars when he uses that wonderful long-lastin' finish called Pittsburgh Sun-Proof (Or did I say that before?). It sells for only \$3.70 per gallon over to the Thurber Lumber Co.
